

Discover the Fullness of Christianity

Find a Life of Purpose

Imagine living your life in a whole new way. Overcoming the personal difficulties and challenges the world throws at you. Finding your particular part in what God is doing to change the world. Living a life in Christ that's a life of power.

Uncover a Life of Freedom

To many from the outside, Christianity looks like a lot of rules and restrictions. Nothing could be further from the truth. It's a life of freedom. Freedom to make a new start. Freedom from the attachments of the world. And, freedom to make a real difference in our day.

Meet Men Like You

Share real life stories with other men. Regular guys sharing real life stuff with openness and respect. Men taking a personal interest and willing to support one another. You'll find not only friendship with Christ, but with others.

“Know the hope to which he has called you, the riches of his glorious inheritance in the saints, and his incomparably great power for us who believe.” Ephesians 1:18-19

Gain a Fresh Perspective

Explore God's amazing strategy and how it works in real life. Apply the Gospel to the practical aspects of your situation. Hear about God's personal love and learn about life in the Spirit. Uncover how you can grow in friendship with him and others. Be revived and equipped to go.

The CHALLENGE WEEKEND

Invest One Weekend. Gain a New Life.

It's hard to uncover what God has for you when you're swept up in a world filled with demands. It's easy to have your senses dulled. To lose sight of what is important when you're running from here to there. But the need is great. The stakes are high.

Take time to stand back and catch your breath. It's worth investing one weekend. You'll gain a whole new life. Find out what thousands of others already know. This weekend delivers.

Use the weekend to take stock and see what God has in mind for you. Experience the love of Christ. Life in Christ. Life in the Spirit. A life that is transforming and lived in power. A life rich and full of purpose.

You won't be the only one who benefits. It's not just a life for you but a life that extends to others. Your family, your friends, your co-workers. That's worth a lot.
